

APRIL 20-25, 2026

War Memorial Building • 1202 S. Virginia St. • Hopkinsville, KY

When Americans fought for independence in 1775, many dedicated their lives and fortunes to see their hopes and dreams for the future become a reality.

They came to embody what many refer to as the "Spirit of 76".

Your support helps the hopes and dreams of the youth in our community become a reality.
